

Sassy Mariner's Compass© by Debby Kratovil

Block Size: 22" Quilt Size: 38" x 38"

Forget traditional colors and fabrics! Pull out your stash of wild and crazy prints and take a dive into the world of paper piecing a LARGE block. Sharp points, gentle curves, even a halo of little triangles make this a block with a lot of punch! If you can sew a straight line and a true 1/4" seam, you can make this. Nothing to fear, everything to learn.

There is a pattern/kit fee of \$8 which includes the following:

ALL foundations (8 pages) to make the block as shown
 Interfacing for center circle; postcard for paper piecing
 Multi-page, illustrated directions; full size templates for center circle and background pieces (Fabrics A & E)
PLEASE BRING FREEZER PAPER: two or three 12" squares (these are for the center circle, the "donut" shape, and the background floral Fabric A)
