

NOVEMBER 2018 -- ORIGAMI PINWHEEL

Downloaded from the website Teresa DownUnder.

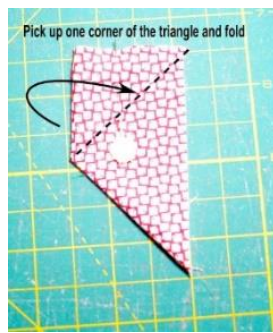

Fabric Requirements:

- Four 4" squares for pinwheel
- Four 4" squares for background

Making the origami pinwheel

Pick up one square of the origami fabric and fold it in half with wrong side of the fabric together. Then pick up the upper left corner of the triangle and fold it up along the raw edge to the upper right corner of the triangle as shown in the picture below. Pin it to the background square of fabric as shown. Do this for all four squares.

Layout your four sections to form a pinwheel. Sew two pairs together. You may wish to press your seams open to avoid bulky seams. Then stitch the two resulting rectangles together. You may wish to press your seams open to avoid bulky seams.

This block should measure 7 1/2 inches.
