1. Place an A and a D with right sides together, and using an accurate 1/4" seam, sew them together along the long edge. Press the seam towards the darker fabric. Make a second strip using the remaining A and D pieces. Cut each strip into 2 @ 4.5" wide squares. You will have a total of 4 units.

2. Place the B and E 5" squares together with right sides together. Draw a diagonal line from corner to corner, and stitch 1/4" on either side of the line and parallel to it. Cut the unit apart along the drawn line. Press the seam towards the darker side. Trim each unit to 4.5" square, remembering to line up the 45° ruler line with your seam.

3. Lay out the block units as shown below.

4. Sew the units in each row together. Press the seams in the top and bottom rows towards the middle, and in the opposite direction in the middle row.

5. Finally, sew the columns together to complete the block.
Your Ralli block should measure 12.5" square.
