

Capital Quilter's Guild Block Party January 2015

This month we will make a Log Cabin Block and all the fabric is provided.

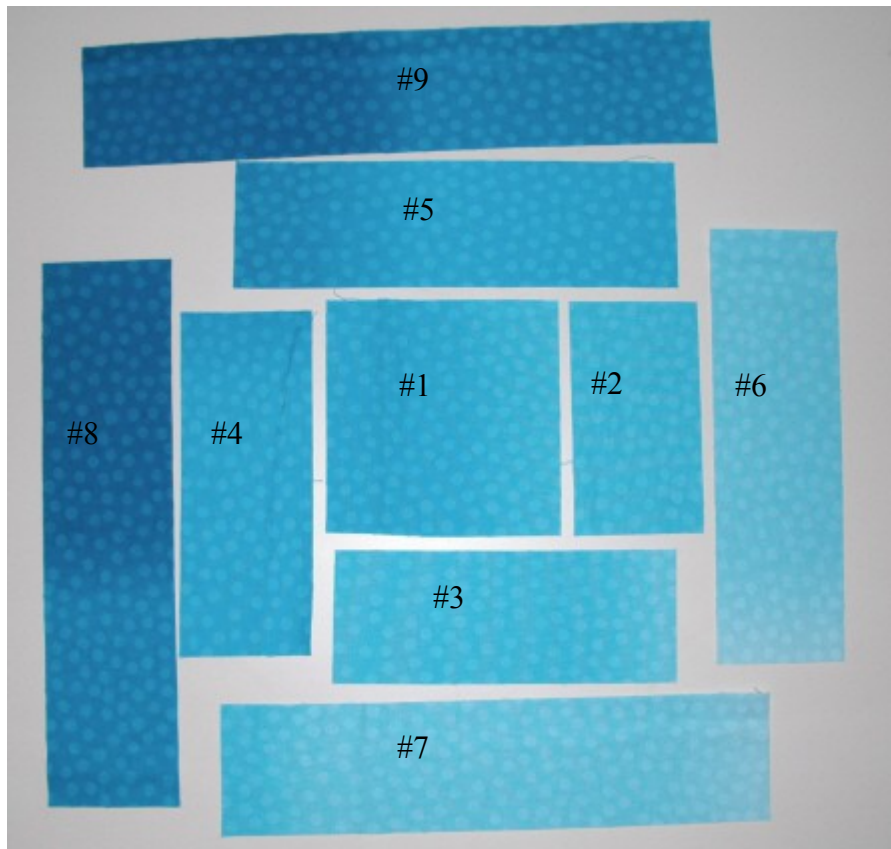

It is important that the pieces of the block are cut and positioned carefully to make the block fade correctly.

Use the following picture to cut your fabric into 9 pieces and mark them with the numbers indicated for ease in making the block.

#9 2 ½ X 12 ½ inch	#4 2 ½ X 6 ½ inch	#1 4 ½ inch square	#2 2 ½ X 4 ½ inch	#7 2 ½ X 10 ½ inch
#8 2 ½ X 10 ½ inch	#5 2 ½ X 8 ½ inch		#3 2 ½ X 6 ½ inch	#6 2 ½ X 8 ½ inch

Using the diagram above assemble your block. Sew with a $\frac{1}{4}$ inch seam and always press to the outside of the block.

Sew Pieces #1 and #2 together.

Sew Piece #3 to the bottom of the resulting piece.

Sew Piece #4 to the left of the resulting piece.

Sew Piece #5 to the top of the resulting piece.

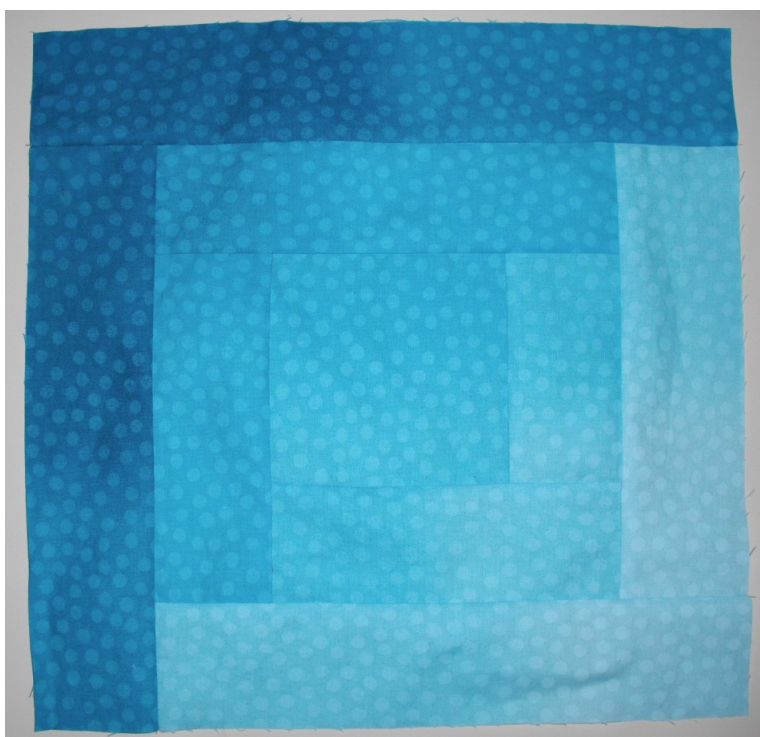

Sew Piece #6 to the right of the resulting piece.

Sew Piece #7 to the bottom of the resulting piece.

Sew Piece #8 to the left of the resulting piece.

Sew Piece #9 to the top of the resulting piece.

Your block will look like this when completed. It should measure $12\frac{1}{2}$ inches.

Please do not square up your block. Turn in your block and your name on a small piece of paper in at the February meeting for the drawing.. Good Luck!!
