

We are so excited about the virtual Comfort Quilt workshop on Saturday, July 17th that we have created a new pattern and quilt kits for the workshop! You can get this easy pattern and kit at the July 15th meeting while supplies last or better yet, put together your own kit from the supplies listed below!

6 fatties make a quilt
36"x54"

- 6 coordinating fat quarters
- 5 binding strips
- 1 3/4 yards backing

Position your fat quarter on the cutting mat so that the 21" length is nearest you. Cut each fat quarter into three $6\frac{1}{2}$ " x 18" strips. (you need 19.5" to get your three $6\frac{1}{2}$ " cuts!) Measure and trim each strip length to 18" if necessary. If a strip is less than 18", Trim all strips to match the shortest length. Take one strip of each of the six colors and cut that strip in half to make a $6\frac{1}{2}$ " rectangle of each color. Arrange the resulting pieces into 6 columns containing two long strips and two short strips. Sew each column and then sew the columns together pinning as necessary to match seams. Layer, quilt, and bind.
