

4 fabric 10" squares quilt 36" square

- 4 - 10" x WOF strips or 16 10" squares
- 4 - 1 1/2" x WOF border strips
- 4 - 2 1/2" binding strips
- 45" x WOF backing

From each of the 10" strips, cut 4 - 10" squares to create 16 - 10" squares. Pair the squares with contrasting squares to make 8 pairs of 10" squares. Cut each pair in half. Cut one 5"x10" strip pair into 5" squares, 1 1/2"x5" strips and 3 1/2"x5" strips. Trim the other 5"x10" strip pair into a 9" strip and then cut to make 1 1/2" x 9" and 3 1/2" x 9" strips.

Arrange the pairs with a 5" square with its contrasting fabric strips. Sew strips 1 and 2 to 5" square and then strips 3 and 4 as numbered above to make 8 pairs. Place the 16 resulting 9" squares in a 4 by 4 grid, rotating blocks as desired. Sew rows together, add side borders and top and bottom borders. Layer, quilt, and bind.
